Whether a Southeast student is being swept through "C" and Main, eating among a crowd in the cafeteria, or giving his class yell, he is still an individual. He may generally follow the herd but still he finds himself to be a unique "buff". Each student strives alone, yet he is a part of a complete picture. Like the pieces of the mosiac buffalo, he is a small unit of a larger form; a small piece that fits in with many others to make up a unified team.

A student is a member of a choir, in which each voice blends to create the solid sound. A debater alone donates one segment of a debate victory. Again his purpose is to unite his squad. An athlete contributes his individual skill to produce sychronized team effort.

But the individuals, as well as the choirs, squads, and teams, are what Southeast is all about. It's not our multi-million dollar building, our outstanding athletic history, or our many talents and abilities, but each individual is a part of the herd that makes Southeast number one.

Man dwells apart, though not alone.

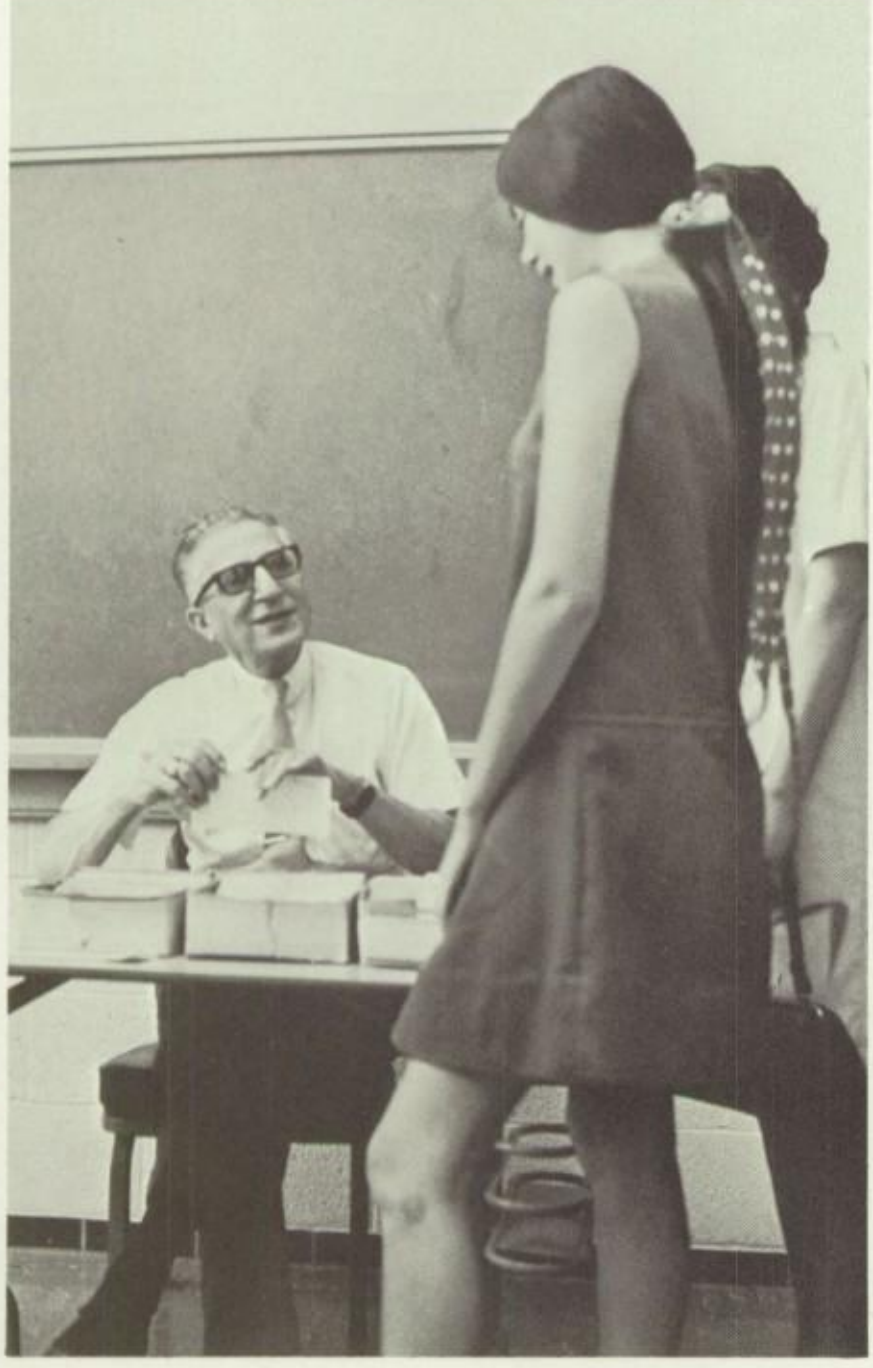
VANISHED CIVILIZATIO

Dr. Addis poses with one of his Yorkshire Terriers.



Dr. Addis assists students with enrolling.

Dr. Addis directs School's activities

"To be a good citizen" is the hope of Dr. Fred G. Addis, Southeast principal, for a Southeast student after graduation. Dr. Addis feels that the Southeast graduate should be able to provide for himself and his family in the future.

This year, as in other years, Dr. Addis was the coordinator of the Citizens' Advisory Board. He planned the activities of the board, which he started for the purpose of improving relations between the students and their parents.

Raising Yorkshire Terriers to participate in dog shows is a hobby of Dr. Addis.

"The pride and joy of my life are my two children", said Dr. Addis. David, his son, teaches 6th grade at Sunnyside Elementary and his daughter Jodi, now Mrs. Richard Long, is an X-ray technician at Wesley Hospital.

Mrs. Addis is a secretary at Price Elementary School.

Dr. Addis received his B.A. and M.A. degrees from Wichita State University and received his doctorate from the University of Colorado.

Administrators handle chores

This year, Mr. Keith Graham and Mr. Robert Lane combined their duties and were both assistants to Dr. Addis. This provided more time and detail to be given to various tasks.

This was Mr. Graham's third year as Dr. Addis' assistant. He felt that his duties were those which were assigned by the principal. He also handled discipline and was in charge of the office staff.

Mr. Graham earned his B.S. from Kansas State College at Pittsburgh and his masters from Colorado State University.

Mr. Lane began his first year at Southeast this year. Mr. Lane was assistant principal at Curtis last year.

Mr. Lane felt that this year's student body was one of the finest and most cooperative he has seen. He felt that the student council was very active and hoped that students would "be themselves" after graduation.

Mr. Lane received his bachelor's from Friends University and his masters from Wichita State University.

Responsible for all health conditions is Mrs. Margaret Walters, Registered Nurse. She is available at all times to assist students who are ill.

School keeps office staff busy

The eight office staff members were kept busy throughout the '69-'70 school year with 2600 students.

Miss Helen Johnson assisted in the attendance office and helped in the operation of the switchboard.

Handling student withdrawals and transfers was the responsibility of Mrs. Jean Herd. She was in charge of Southeast's enrollment.

Mrs. Mary Patton headed the Attendance Office staff. Keeping attendance records and handling late arrivals were her responsibilities.

Making all permanent records was the job of the registrar, Mrs. Vera Ridgeway. She kept the academic records of all students and prepared a list of seniors eligible for graduation.

Secretary to Dr. Fred Addis this year was Mrs. Nadine Rogers. She was in charge of handling Dr. Addis' correspondences and handling the school's budget.

Mrs. Rosalie Shreffler operated the switchboard and handled school correspondence.

Mrs. Jean Wilke, treasurer, wrote checks for class and book rental fees and sent them to the Board of Education. She was also in charge of all bookkeeping.

Southeast's administration

Dr. Alvin Morris, Superintendent of Schools.

provides flexible scheduling program

Dr. Dean Stucky, Assistant Superintendent of Schools.

For a school to run smoothly, certain administrators and leaders are necessary. Like all other area high schools, Southeast had a number of these leaders.

The Southeast administration set up an educational climate this year which allowed Southeast to change class procedures and employ a flexible scheduling program.

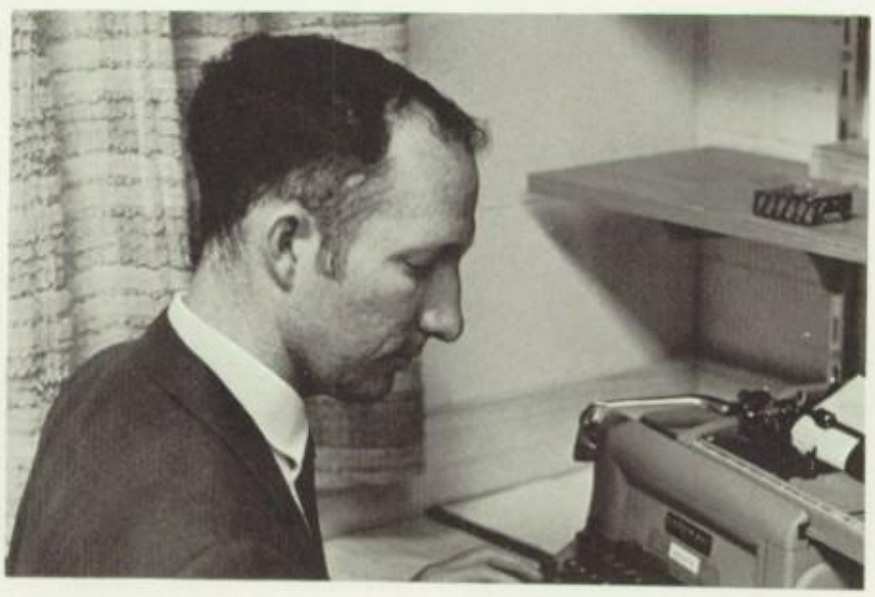
The program, under the direction of Dr. Fred G. Addis, assisted by Lee Streiff, made it possible for students to relax in the cafeteria student union, study together or alone in designated areas or venture to the library for research and study. By the use of this program, the students were given a taste of the transition which occurs between high school and college.

With the student council working along with the administration, Southeast held four Speak Outs. Various Board of Education members, two at each gathering, two administrators, and several teachers composed a panel that answered students' questions. Some of the topics discussed were dress code, modular scheduling, an open lunch period, and the trash problem.

Dr. Fred G. Addis lead the Citizens' Advisory Committee for the tenth consecutive year for the purpose of creating better communication between parents and their children. The members of the CAC were all parents of Southeast students, selected to serve for two years.

Board of Education. Mrs. Evelyn Whitcomb, Mr. John C. Frye, Mr. Robert Beren, Mr. John M. Michener, Mrs. Ruby Tate, and Dr. Alvin E. Morris, Superintendent, Mr. Robert L. Davis, President, Dr. Gary N. Pottorff, Vice President, Mrs. Jeanette Holmes, Dr. Don L. Miller, Mrs. Edwana Collins, Dr. James Donnell, and Darrell D. Kellogg.

Mr. Robert Lane, assistant principal, helps with discipline and controlling of school activities.



Media center largest and best equipped in state

Housing over 16,000 books, the Southeast Media Center is currently the largest, most extensive and well equipped school library in the city, according to Mrs. Virginia Fields, the head librarian.

The Southeast students were offered a multitude of study equipment and several areas in which to study.

The lounge area, located near the magazine rack, provided a comfortable place for students to read, study, or relax. Students could also use the three listening stations for study purposes. Groups of chairs and tables were situated in separate areas so "that students will not encroach on others' rights," stated Mrs. Fields.

A mezzanine housed the Fine Arts section. It provided six typewriting corrals available for students' use. Paintings and drawings by famous artists and Southeast talent were found on the mezzanine and could be checked out by students.

Students could choose from 30 different types of modern audio-visual equipment, including earphones, microfilm and microfilm readers, record players, and 8 m.m. movie projectors.

With the introduction of the flexible scheduling program, students came to the library in greater numbers. Mrs. Fields estimated that 500 to 600 students used the library daily, including the eight classes that met regularly in the library.

To handle these numerous students, a staff of four professionals and 56 proctors worked in the library. Mrs. Virginia Fields was the head librarian. Mrs. Ruth Pearcy was the assistant librarian. Mrs. Maria Nixon, assistant librarian, substituted for Miss Mary Wing. Mrs. Helen Jewett was the library clerk.

Counselors strive to aid student

This was Mr. Clark Beck's first year as college counselor. His responsibilities included helping upperclassmen with college decisions and regulating college entrance exams.

Concerning themselves with scheduling and educational planning, dealing with personal problems about school or home, and supervising educational and developmental tests were the jobs of the counselors, according to Mr. Clark Beck, head counselor.

Mr. Richard Elving and Mr. Kenneth Clark helped sophomores plan for the future. Using the rotation method, the sophomores will be with them until they graduate in 1972. Mr. Elving handled sophomores A-N, while Mr. Clark assisted those sophomores with last names O-Z.

Sharing the job of guiding the middlemen was the duty of Miss Fanny Thompson and Mr. Clark. Miss Thompson guided juniors A-N while Mr. Clark had juniors O-Z. They helped the students through various tests such as National Merit, SAT, and Scholarship Qualifing Tests.

Heading the counselors department and seniors for college was the primary concern of Mr. Clark Beck. Working along side was Mrs. June Turner. Administering college prep tests such as ACT, CEEB, SAT, and Betty Crocker filled the hours of Mrs. Turner's days.

English language studies Undergo slight changes

Art of Films, a study of film making and film evaluation, was initiated into the English Department curriculum this year. The course was an extension of the English IV Film Study that was introduced last year. The courses were instructed by Mrs. Marguerite Grandy, Mr. John Morton, and Mrs. Sharon Thompson.

As an additional change, English Composition and College Reading were taught as a combined course instead of being two separate semester courses as they have been in previous years.

English II, III, and IV were offered at the basic, honors, and advanced placement levels. English was taught in the E.M.H. classes by Mrs. Arlene Engle.

Journalism I and II were taught to juniors and seniors by Mr. Dean Campbell.

Mrs. Helen Christie served as head of the English Department for the thirteenth year.

Fine arts blend efforts, results

"Quality Street", a comedy was presented by the combined efforts of the Fine Arts Department. Mr. Howard Jacob's sculpture class and Mr. Don Weddle's advanced art class worked on stage scenery and sets, while Miss Ruth McCormick's students provided the actors.

The Drama Department presented other productions which included the junior play, the senior play, and "Spoon River Anthology."

In addition to the advanced art class, the other art courses included Drawing and Painting, Commercial Design, Sculpture, and Introduction to Art.

"Choralesque", a musical production, was performed April 9 and 10. Other presentations included student assemblies, performed by the vocal and instrumental groups.

Vocal groups were directed by Mrs. Trudy Burkholder and Mr. Vernon Nicholson.

Foreign languages Emphasize culture

"The fluent use of foreign language, understanding of the country's literature and other aspects of the culture" was the goal of the Foreign Language Department, as described by Miss Dorothy Reynolds, department head.

A highlight of the year in the department was the trips to Europe over the Easter vacation. Several students and teachers gained valuable and better understandings of the culture of different countries, their people, and their language.

For the first year, Spanish IV and V were taught as one unit by Miss Dorothy Reynolds. Also new to Southeast was German III which was taught by Mr. Marlin Schrag.

Regular courses offered were five years of Spanish, four years of German, three years of French, and two years of Latin.

Science individuals Question theories

The objectives of the Science Department were to enable students to develop a questioning attitude towards science and to use skills acquired from the courses to find the solutions to the questions, according to Mr. Clinton Kaufman, department head.

Science students this year had opportunities to explore the vast areas of science under the instruction of an experienced and proficient staff, coupled with well-equipped classrooms.

Biology classes studied ecological relationships in their surrounding environments, while Physiology classes studied the anatomy of the human body. Chemistry and Physics students studied gases, liquids, and solids, and various forms of energy and masses. Botany students studied the biology of plants.

Advanced Placement Chemistry was offered for the second consecutive year to those students who qualified. It was taught by a new instructor, Mr. Floyd Bayer.

Mathematics point: 'Best job possible'

"We like to do the best job possible for the future so as to give the students the best background for college," was the primary purpose of the Math Department, as stated by Mr. Doug Fulton, department head.

This year, new books, as well as new concepts were presented to mathematic students. The algebra materials leaned more toward calculus while the geometry books were not as rigorous as they had been last year, according to Mr. Fulton. He added that materials for trigonometry were basically the same as they had been in previous years.

Aside from Algebra I and II, and Geometry; advanced courses in Analytic Geometry, Principles of Math, and Trigonometry were offered in the mathematics department.

A new instructor added to the department this year was Mr. John Wolverton.

History studies are diversified

The variety of social achievements today and yesterday make it important for students to be informed about different governments and their procedures. Such was the objective of the Social Science Department this year.

Seniors held elections for government positions to achieve a better understanding of government procedures. While the "politicians" were at rest, the general functions and policies of our government were viewed and studied.

The study of our past and the use of various teaching techniques provided the juniors with valuable material in the United States History course.

More law and government recognition was brought out in various courses, including Economics, Humanities, International Relations, Psychology, and Russian History.

Data processing study Introduced to students

The Business Department introduced data processing for the first time this year to the Southeast students. Mr. John Zumalt taught the semester course.

With the objective of teaching the student to develop his business capabilities for the benefit of himself and his society, the business teachers tried to prepare their students for the future that lies ahead.

Mr. Grant Page's Business Law classes heard guest speakers including Judge Howard Cline, and went on field trips to the courthouse.

Other business courses taught this year were Accounting, Bookkeeping, Business Arithmetic, Business Communications, Clerical Training, Introduction to Business, Notehand, Office Education, Salesmanship, Secretarial Training, Shorthand, and Typing.

Homemaking girls Study practical arts

This year, as in others, Home Economics provided experience in all areas of homemkaking to meet the needs of the individual and family. Child Care, Foods, Home and Family Living, Housing and Home Furnishings, and Sewing were offered courses in this field.

Skills such as tailoring garments and preparing holiday refreshments were acquired. The girls also learned the importance of the time management factor, and how to select china, silverware, and glassware.

A number of different speakers visited the homemaking department, including Mrs. Eileen Odgen from the Kansas Gas and Electric Company.

Both boys and girls participated in the Home and Family Living course. Each year there has been an increase in the number of boys enrolled. In the last two years there were only two boys enrolled in the course, but this year there were 22 male participants in Home and Family Living.

Skills developed in SE industrial arts

"To train for better use of leisure time," is the goal of the Industrial Arts Department, according to Mr. Ralph Schaude, department head. Students learned the basics of the course and then began to produce fine finished products.

In architectural design, students drew up a model of a house and then in the woodworking classes assembled a model of it.

In auto mechanics, students worked on cars provided by the Board of Education. When the cars were in running condition, they were allowed to work on their own cars.

Other courses this year included Auto Information, Mechanical Drawing, Metals, and Plastics.

Mr. Corwin Vanderford was a new addition to the teaching staff of the Industrial Arts. He instructed students in metals and plastics.

Physical education Strives for fitness

An essential part of the total education program, physical education stressed a wide variety of activities in which approximately 620 boys and 650 girls participated.

During the course of the year, boys took part in football, basketball, swimming, wrestling, softball, tennis, golf, track and field, and various recreational games.

A well balanced coaching staff, consisting of Mr. Paul Andree, Mr. A. R. "Monk" Edwards, Mr. Don Lamb, Athletic Director, Mr. Jack McCreery, and Mr. Marvin Vandeveer, kept the boys hustling and working to stay or get in top condition.

The girls, on the other hand, participated in archery, badminton, basketball, gymnastics, modern dance, softball, swimming, volleyball, and other activities to keep themselves trim and fit.

Mrs. Marilyn Morris, new co-ordinator, headed the girls' staff this year. Other instructors included Mrs. Betty Fugit, Miss Janice Greene, and Mrs. Ruby Schraeder.

Security guards for this year were: Mrs. Bertha Conyac and Mr. Robert Rickey.

Personnel service aids school

Mrs. Mabel Willis headed a staff of 24 workers this year to aid in the preparation of food for 2600 students. They made about 2000 meals a day.

Patrolling the halls and restrooms and directing traffic were the duties of the security guards, Mrs. Bertha Conyac and Mr. Robert Rickey.

Working long hours before and after school, the custodians, headed by Mr. Charles Knight, swept halls, cleaned restrooms, and kept the corridors clean.

Advanced classes Offered to students

Advanced classes for those students showing exceptional work and talent in English and Chemistry were opened to selected applicants. Recommendations were also considered.

This year the Advanced Placement English classes, offered to seniors and taught by Mrs. Marguerite Grandy, studied expository writing, poetry, and prose. College credit could be earned by scoring well on the A.P. test.

Senior English honor classes, conducted by Mr. William Harrison, dealt with classics, tragedies, and composition.

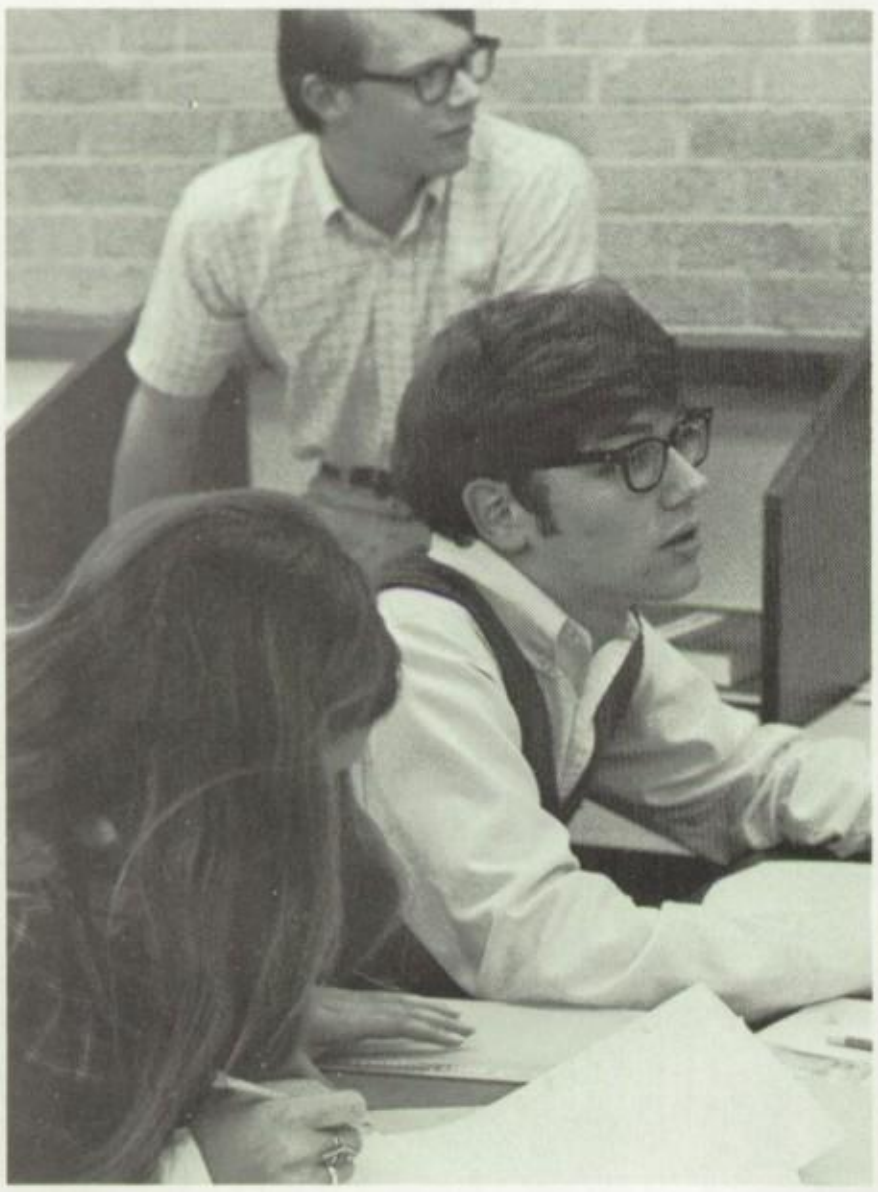
Junior and sophomore English honor classes were taught by Mr. Frank Jensen and Mrs. June Dirks. To get students to think on their own was one of their objectives.

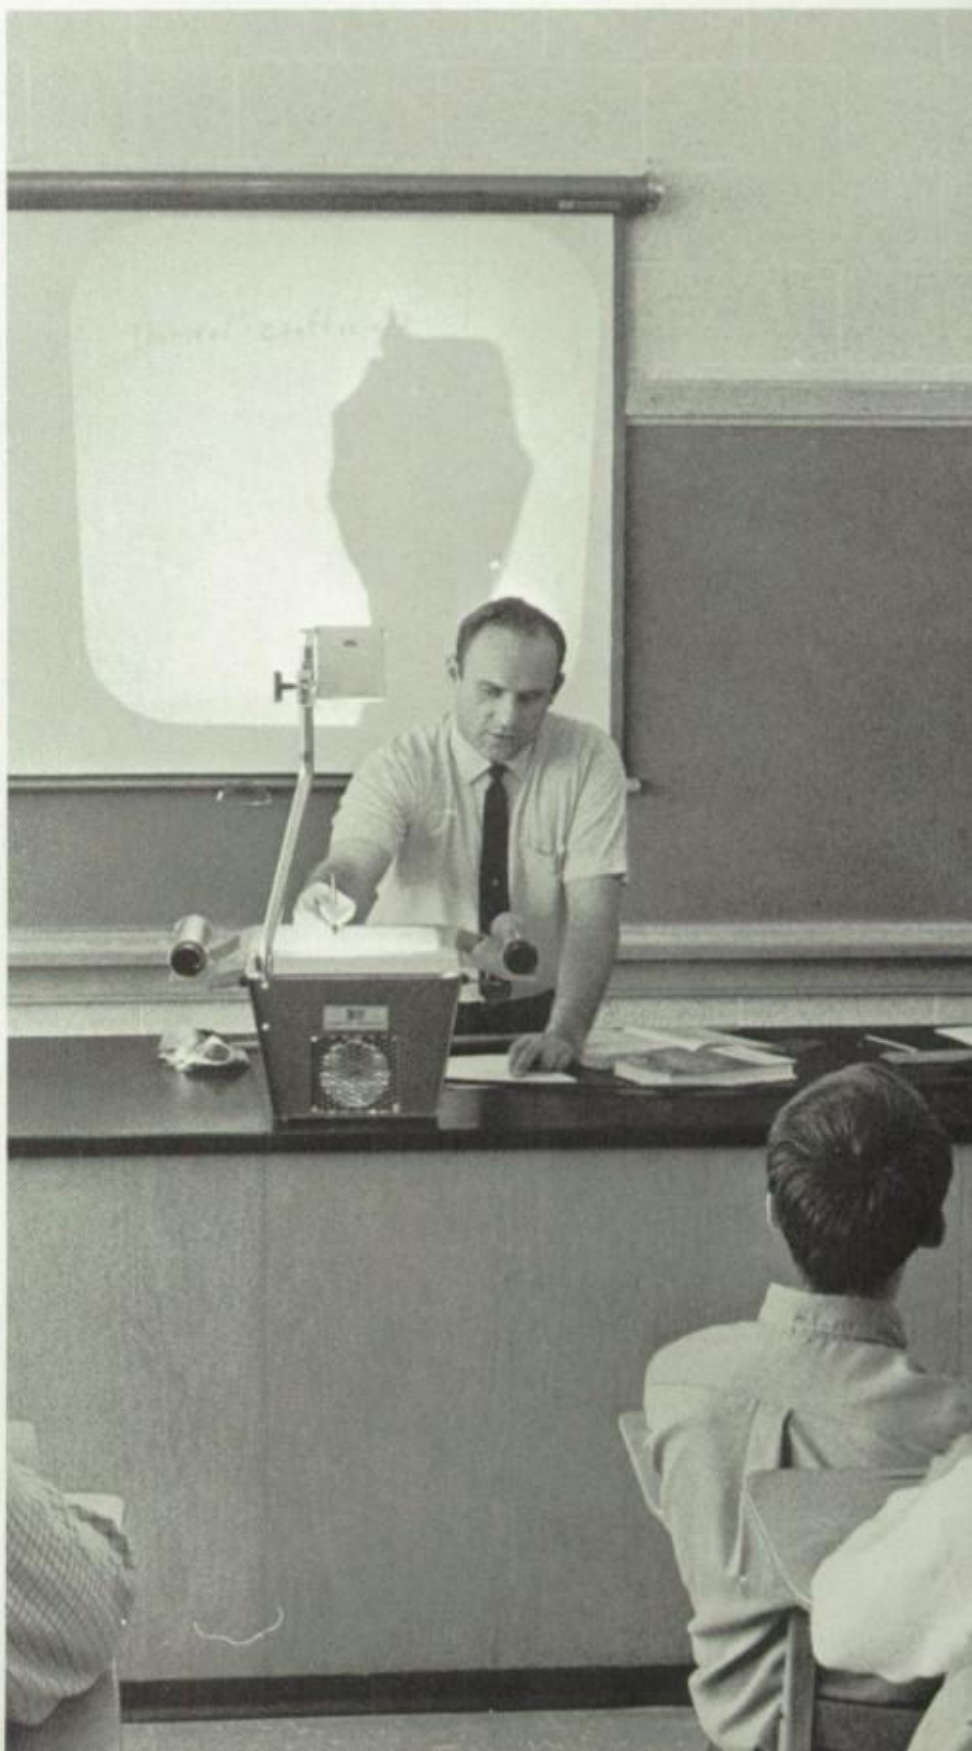
A. P. Chemistry students, under Mr. Floyd Bayer, participated in an advanced study of solids, gasses, and liquids.

Students in A.P. English participate in discussion and group projects which are part of their Independent Study Program.

Mr. Floyd Bayer instructs Advanced Chemistry students with lectures and demonstrations.

Senior Jack Shellito served as proctor in Honors Study Hall. His responsibility was to keep order and to supervise the signing-in in the flexible scheduling program.





EMH pupils study Basic curriculum

"Preparing the Educable Mentally Handicapped to get along in life," was the purpose of teaching the EMH classes, according to Mrs. Arlene Engle, instructor. Mrs. Engle took the position of Mrs. Rosalie Wallace.

Students in this department were taught English, Mathematics, and History. Other classes in which they participated were Drivers' Education, Industrial Arts, Gym, Home Economics, and various music classes.

The EMH classroom, completed near the end of 1968 is equipped with a regular study area, a kitchen area, and a shop area.

By having a well-equipped room, the students were able to delve into specific fields of interest. Mr. Bill Lantz aided the students with their interests and encouraged them to seek further education.

This was the first year that proctors have been chosen to help with the EMH program. Dave Howse, Cortell Jones, and Cathy Jones were the proctors this year. They were much help, and more individual help was available.

The E.M.H. classroom contains a regular study area, a kitchen area, and a shop area.

Students in E.M.H. classes study English, Mathematics, and History as part of their curriculum. They also have the opportunity to participate in Drivers' Education, Industrial Arts, Gym, Home Economics and various music classes.

Students receive honors, awards

Nine seniors were named semi-finalists in the National Merit program this year. 97% of the semi-finalists go on to become eligible for the scholarship.

Senior Barbara Pike was the winner of the Betty Crocker Homemaker award. This made her eligible for state and national honors.

Seniors Jeanne Carreau and Barbara Pike were cited as two of the outstanding high school students of English in the country. The National Council of Teachers of English named Jeanne a national winner and Barbara a runner-up.

Five senior boys were selected to go to Boys' State, sponsored by the American Legion. David Budd, Charles Longacre, Mark Clevenger, Dave Fahrbach, and Keith Sanborn participated in the model of state and local government.

Senior Sally Hartwell was chosen to go to Girls' State, also sponsored by the American Legion. Sally was elected Secretary of the National party.

Day by day tasks Produce *Stampede*

"Get your stories in! Turn in your news tips!" These were the familiar cries of Mr. Dean Campbell, journalism advisor, as he urged students to get their stories in for the STAMPEDE.

When assignments for stories were given on Monday by the editor, senior Nancy Beaman, the task of getting out the next issue of the STAMPEDE began.

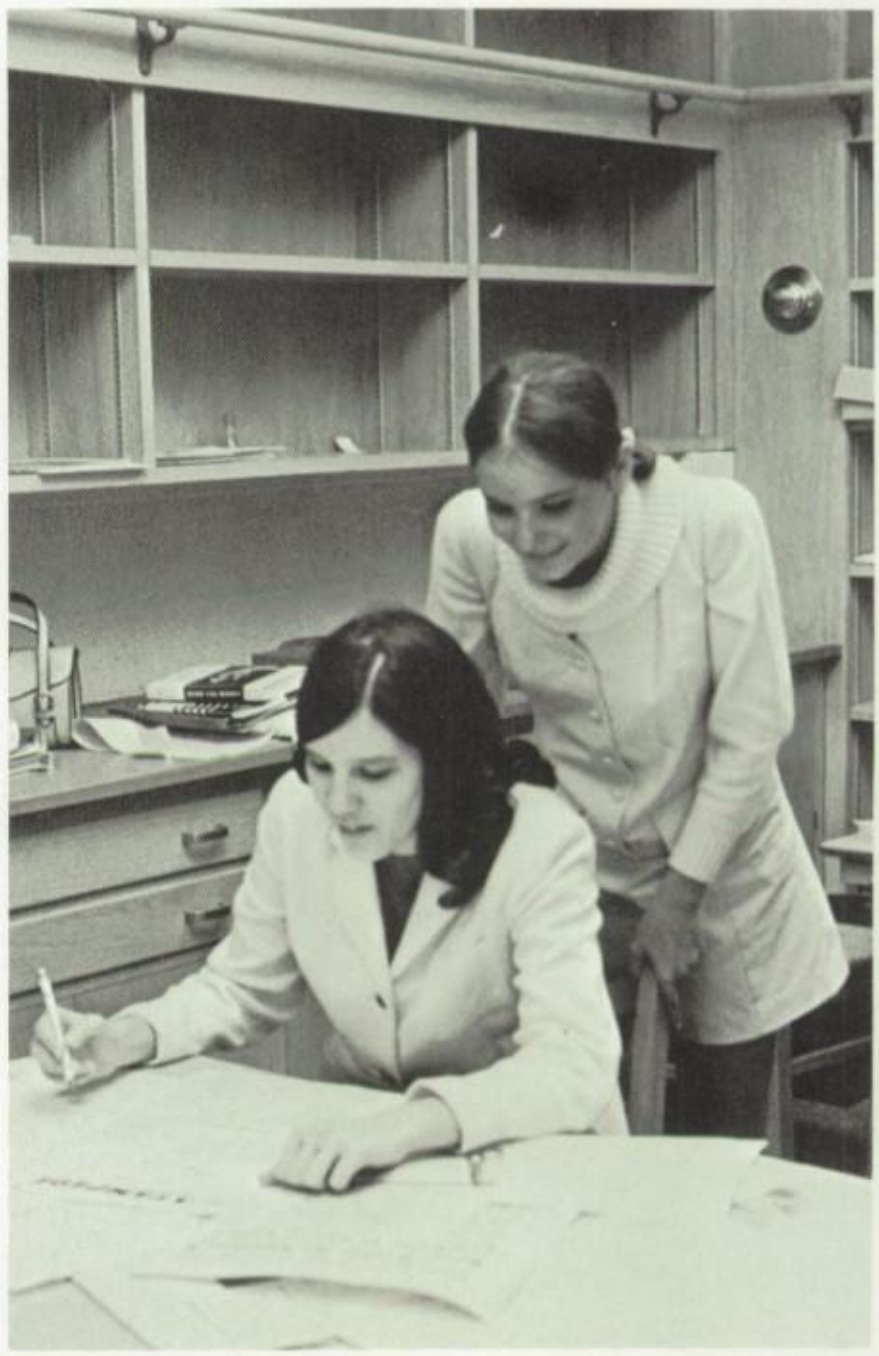
On the Wednesday before the paper came out, all stories were turned in and copyread by Nancy and her staff. After that, it went down to Denney Printing Company, where the stories were set in a galley. (A galley is a list of all stories in column form.)

After being sent to the printer's, it was returned in galley form to be proofread for errors by the STAMPEDE staff. They then pasted the stories on a sheet of paper the size of a STAMPEDE and sent it back to the printer.

While at the printer's the pages were set in a chaise, or a metal casing, run through the press and returned to Southeast.

On Wednesday the STAMPEDE was distributed to the student body for reading.

Editor of the STAMPEDE is senior Nancy Beaman, seated, and managing editor is senior Cindy Bekemeyer.



Staff toils overtime To save memories

Frantically working to meet four deadlines before the distribution of the HOOFBEATS, the yearbook staff photographed student life, composed copy, and planned page layouts under the supervision of Mr. Dean Campbell, advisor.

Various workshops and clinics were held for Journalism students, advising them on the functions and instructions in compiling a yearbook. Seniors Jenny Grant and Debbie Lewis attended a Kansas State University workshop in June. The workshop, which lasted one week, provided Debbie and Jenny with the basic knowledge of yearbook production. It also gave them the opportunity to help with the production of the WILDCAT, a 52 page yearbook portraying the week at K-State.

A one day clinic was held at Kansas University, which was attended by most of the HOOFBEATS staff members.

The editors and photographers were selected by Mr. Dean Campbell, while the coordinators and their committees were chosen by the editors.

Debators argue national question

Encouraged by the depth of his varsity debators' talent and the promise of his novices Coach Richard Barnes led his squad of over 50 debators to place in 11 tournaments.

Rejecting and supporting the proposition that "Congress should prohibit unilateral U.S. military intervention in foreign countries", debators gained experience in critical listening, mastery of oratory skills, and the development of organizational skills.

Select voices increase Numbers for Choraleers

One hundred and twenty-five juniors and seniors composed Southeast's select choir, the Choraleers. They were selected on their ability to sightread and their voice quality, as well as their knowledge of music skills. Under the direction of Mr. Vernon Nicholson, the Choraleers performed at all concerts presented by the Fine Arts Department, at assemblies, and at junior high schools. Singing at the sacred Christmas Vespers and for the student body at the Christmas assembly were just a few of their activities during the Holiday season. Members of Choraleers participated in Choralesque, the Spring variety show. The climax of the year was their tour to Kansas State University.

Twenty-two boys and girls were selected out of Choraleers to form a mixed ensemble, the Madrigals. They were kept busy throughout the year singing for civic groups, women's clubs, and various organizations. During the Christmas season the Madrigals sang five or six performances per week. Their Christmas season was highlighted by their invitational concert, shared with the Junior Misses. Madrigals were selected according to their voice quality, their contribution to the ensemble blend, and their interest in music. A familiar sound sixth hour was some of the favorites of Madrigals: "There's No Business Like Show Business" and "Windy."

Select ensembles kept busy during school year

Twenty-six female voices blended together to form the sound of the 1970 Junior Misses. Junior Misses, a select ensemble, were chosen on the basis of voice, quality and blend. Junior and senior girls made up the group, who were also members of Choraleers. Singing for women's clubs and civic organizations kept the Junior Misses busy throughout the year. During the Christmas season, many performances were scheduled along with the Madrigal-Junior Misses invitational Christmas concert. Being a formal affair it was the highlight of the holiday season. Junior Misses hosted an invitational tea in which girl ensembles from the Wichita schools were invited. Slumber parties and picnics were planned from which the twenty-six girls developed a close relationship. Junior Misses participated in Choralesque and the City Music Festivals, directed by Mr. Vernon Nicholson.

Boys Ensemble practiced one hour a day together in order to develop music skills and a proper blend. They participated in concerts presented by the Fine Arts Department and the City Music Festival.

Mr. Nicholson directed Modernaires this year which participated in concerts throughout the year. To be eligible for the group students had to audition by sightreading and by singing something they were familiar with. A favorite number of theirs was "Moon River."

Choirs and ensembles perform in Music Festivals

Twenty-five junior and senior girls formed the Backstage Minority this year, an increase over last year. Under the direction of Mrs. Trudy Burkholder, they performed at concerts, womens clubs, civic organizations, and the City Music Festival. The Backstage Minority also participated in the All-City tea hosted by the Junior Misses. The girls were selected on the basis of their musical knowledge and ability to blend, as well as their individual voice quality. Singing art songs and popular ones, and planning choreography kept the 1970 Backstage Minority busy.

Mrs. Trudy Burkholder directed the Sophomore Choir this year, a choir of 95 select voices. These students were chosen on recommendations of their junior high teachers, as well as their knowledge of music skills. Participating in all of the concerts presented by the Fine Arts Department, going caroling, and planning picnics at Sim's park kept the sophomores busy. A mixed ensemble and girls ensemble were chosen out of sophomores who sang in the City Music Festival.

90 sophomore, junior, and senior girls met together to form Girls Glee Club. Also directed by Mrs. Burkholder, the Glee Club was made up of first, third, and sixth hours. This group also performed in various programs throughout the year and competed in the State Music Festival.

Orchestra, band Offer entertainment

Mr. Terry Steele, a former Southeast student teacher, began his new job as director of the Southeast band and orchestra this year.

The 110 members of the fourth hour marching band entertained and performed during the half-time ceremonies at all home games. At the Homecoming game they played a fanfare to honor the queen and formed a crown to play "Sunny" and the Alma Mater.

Three concerts were presented by the orchestra this year. Both adults and students performed as soloists. Aside from concerts, they toured junior high schools to encourage the younger students to continue in instrumental music.

The band and orchestra, along with other instrumental ensembles, participated in the State Music Festival, held at Southeast for the fourth consecutive year.

Performers bring life to music

The ability to sight read, proficiency in style and tone quality, and competence in using improvisation were the main factors considered in choosing the stage band members, according to the director, Mr. Terry Steele. The group learned big band music and gained background to play professionally by having after-school practices and entertaining guests of the school.

Pep band members which were selected in tryouts, played at pep assemblies and games. Two of their specialties, learned at weekly practices with Mr. Steele, were "Mission: Impossible" and "Sunshine of Your Love."

Developing their own routines during practices, the director-selected twirlers added variety and interest to the marching band performances. The drum major gave whistle commands for the band maneuvers.

Queen Diane Holleicke Reigns at homecoming

From the building of floats to the half-time ceremonies of the Southeast-East game, excitement of a spirited week drew to an end as Diane Holleicke was crowned 1969-'70 Homecoming Queen. The traditional roses and kiss were bestowed upon the Queen by her escort Jack Koelling at half-time ceremonies.

At a pep assembly previous to the game it was announced that the Class of '71 had won the float contest with their entry "We'll Have Ace Stew Tonight".

With the theme "A Time For Us" creating the mood, Diane and her attendants Carrie Martin and Laurie Wisner reigned over the November 24 Homecoming Dance. At this time Diane received a football necklace, and an autographed football signed by the team. Her attendants were given a football charm. "The Camel" played "My Girl" for the traditional royalty dance.

This was the fourth year for the class float competition and the first year the queen was not allowed to ride on the winning float. Wichita State University ruled that the floats could not be pulled around the track because of the new track turf and the harm that might be done to it.

Veteran drama students Present 'Quality Street'

After weeks of rehearsal by the Drama III students of the Fine Arts Department, "Quality Street," a comedy written by James Berrie, was presented on November 20 and 21.

With a setting of England during the time of the Napoleonic wars, the story revolved around two sisters, Phoebe and Susan Throessell, who run a private school for young children.

Valentine Brown returned from the war to find Miss Phoebe had aged over the time he was gone. Miss Phoebe then decides to impersonate her own niece and win Valentine's heart again.

Suspecting Phoebe's plan, three nosy old maids attempt to unveil the mysterious cousin, but Valentine comes to the rescue and saves Miss Phoebe's reputation. After this act by Mr. Brown, the couple are finally united.

Props, costumes, and scenery all lent themselves to the period, and with the assistance of many antique shops in the area, the play took on a note of authenticity.

The play was under the direction of Miss Ruth McCormick, and the art work was done by the art department.

"Sagittarian Voyage"

Introducing a new sound to Southeast and a unique sound of their own, the "Beast" from Denver, Colorado provided the music for the Junior-Senior Prom.

'Sagittarian Voyage' rules prom

Falling under the zodiac sign of November, the Southeast Junior-Senior Prom was titled "Sagittarian Voyage." Barren moon gardens, revolving golden spheres, and tables decorated with brightly colored styrofoam space ships, created a very modern atmosphere. Students came to life as the "Beast" from Denver, Colorado conveyed their heavy sound.

The 1969 Prom king and queen, announced by Master of Ceremonies junior Val Brown, were Dan Hill and Barbara Frauen. They were attended by seniors Sue Barnard and Glen Stroer, and Chris Herron and Bob Howse. Junior attendants were Cathy Fanning and Mike Sanner, and Brenda Hanks and Jeff Sparks. This is the first year that candidates for prom royalty have run in couples.

Doormen for the annual event were sophomores Harris Freedman, David Leben, Scott Smith, and Richard Varner.

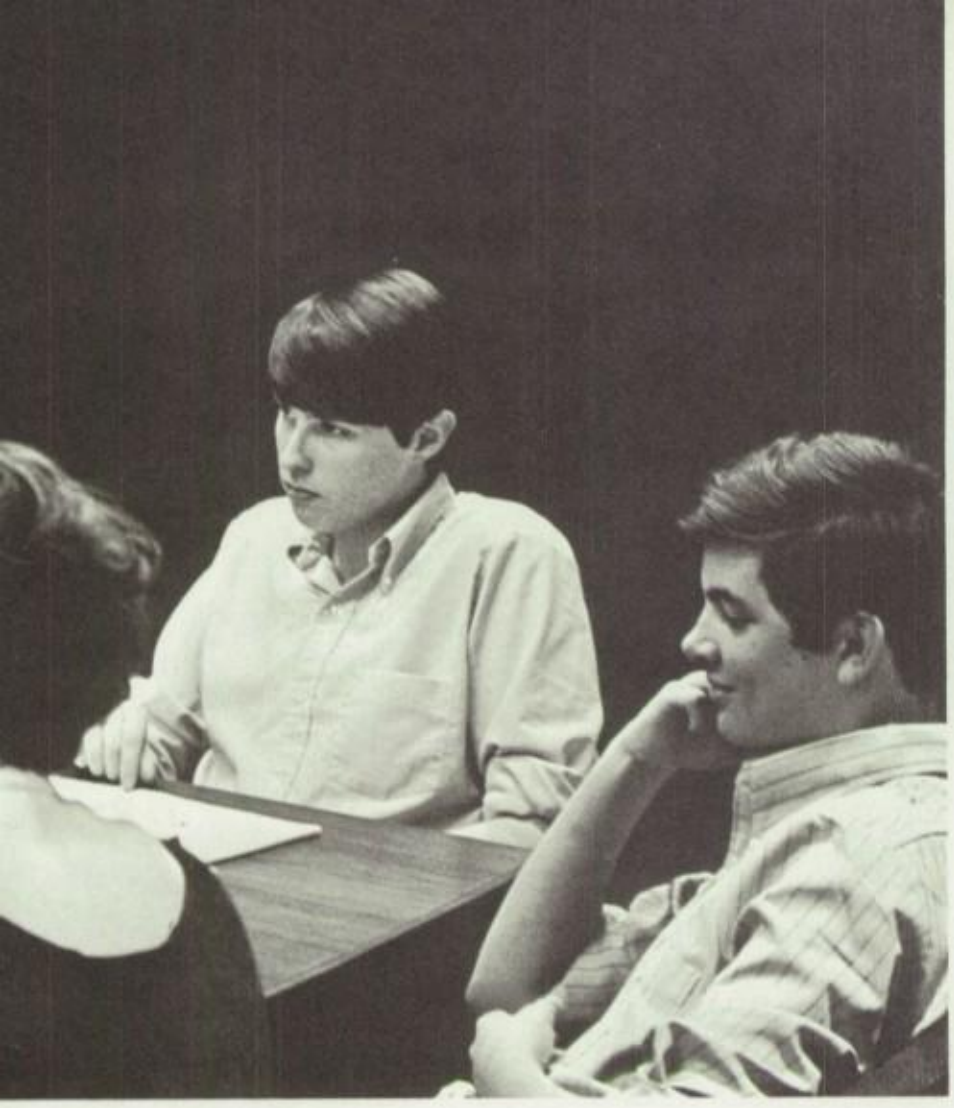
Group accomplishments highlighted by

ndividual successes

Building a bulletin board to announce the annual Girl Scout Doll and Toy Festival are Barbara Pike, senior; and Nan Nave, junior. These girls, and many more like them all over the city, are making toys for the underprivileged children in the area. The toys go to such places as the Wichita Children's Home, and the Institute of Logopedics.

Many southeast students

Junior Sharon Shonka volunteered last summer to help out at the Wichita City Zoo. She is shown here scrubbing down a Kinkajou's cage, only one of the many jobs she performs at her weekly job.



Aiding in the year long celebration of Wichita's 100th birthday, is the Wichita Centennial Youth Committee. They have sponsored such projects as the Centennial Battle of the Bands, a Folk-Art Festival, and a kite flying contest. Southeast has a large representation on the committee which plans a variety of activities for the youth of the city. Pictured above are Sharon Shonka, junior; Claudia Ricks, senior; Stewart Roberts, junior; John Neely, junior; and Suzie Kuhn, junior.

Attending a meeting of volunteers for the March of Dimes are Rose Richter, and Ginny Moyer, both seniors. These girls helped in the drive to raise money for the prevention of birth defects.

Hearts and Flowers adorn dance

On Valentine's Day, the traditional time of year for honoring loved ones, Southeast made Debbie Flowers their 1970 Basketball Sweetheart and the school's first black queen.

Debbie and her attendants, Chrissie Wehde and Melody Woods, were introduced between halves of our victorious game with South, February 13. Gene Abrams, a freshman at W.S.U., Debbie's escort, presented her with a bouquet of roses and the customary coronation kiss at the dance the following night.

Ron Allen escorted Debbie to the game Friday. John Brezovar stood in as Melody's escort while her Saturday-night escort, Mark Ayesh, played in the game. Chrissie was escorted both nights by Jack Koelling.

'Up the down staircase' Presented by Drama II

"The kind of 'funny' that hurts" describes the junior production of "Up the Down Staircase" by Bel Kaufman.

Sylvia Barrett, played by Debbie Witt, is a new teacher in a New York City slum high school. Her experiences of daily teaching and coping with the cold administration of Calvin Coolidge High are both amusing and sad.

Her fellow teachers, Beatrice Schachter and Paul Barringer, played by Laura Livingston and Shannon Holly, respectively, share with her the problems and frustrations of being a teacher

J. J. McHabe, the overpowering assistant principal, was played by Gary Hissem. Members of the administration include Ella Friedenberg, played by Laleen Hershberger; Frances Egan, portrayed by Karen Shelley; Charlotte Wolf, played by Beverly Brooks; and Dr. Maxwell Clarke, played by Monte Hill.

Randy Joslyn portrayed Joe Ferone, the insolent, troubled boy that gave Sylvia many of her problems. Ellen, Sylvia's friend, was played by Jan Leyh.

Sylvia Barrett, teacher, played by Debbie Witt, contemplates her problems concerning her troublesome student, Joe Ferone, who was played by Randy Joslyn.

Sylvia Barrett talks with assistant principal J. J. McHabe, played by Gary Hissem, while her class talks incessantly during a test.

Twelve girls rehearse "The Telephone Hour", a scene from the musical, "Bye Bye Birdie." In the act are seniors Sally Hartwell, Nancy Hougland, Debbie Unruh, Jenny Grant, Becky Seelig, Carol McClintick, Missy Haines, Jane Shook, and juniors Brenda Hanks, Yo Lew, Phyllis Boyce, and Cathy Glasgow. Choralesque, the variety show consisting of solos, dramatic cuttings, comedy, and dance, was ended with "What the World Needs Now Is Love" sung by Choraleers.

Choralesque reveals variety, talent, life, soul . . .

"I Got the Wedding Bell Blues" sings senior Carol McClintick. The Southeast Stage Band, conducted by Mr. Terry Steele, accompanies Choralesque and also performs several numbers in the show.

Senior Laurie Wisner rehearses her solo, "My Man." Choraleers, who perform the variety show, Choralesque, are directed by Mr. Vernon Nicholson.

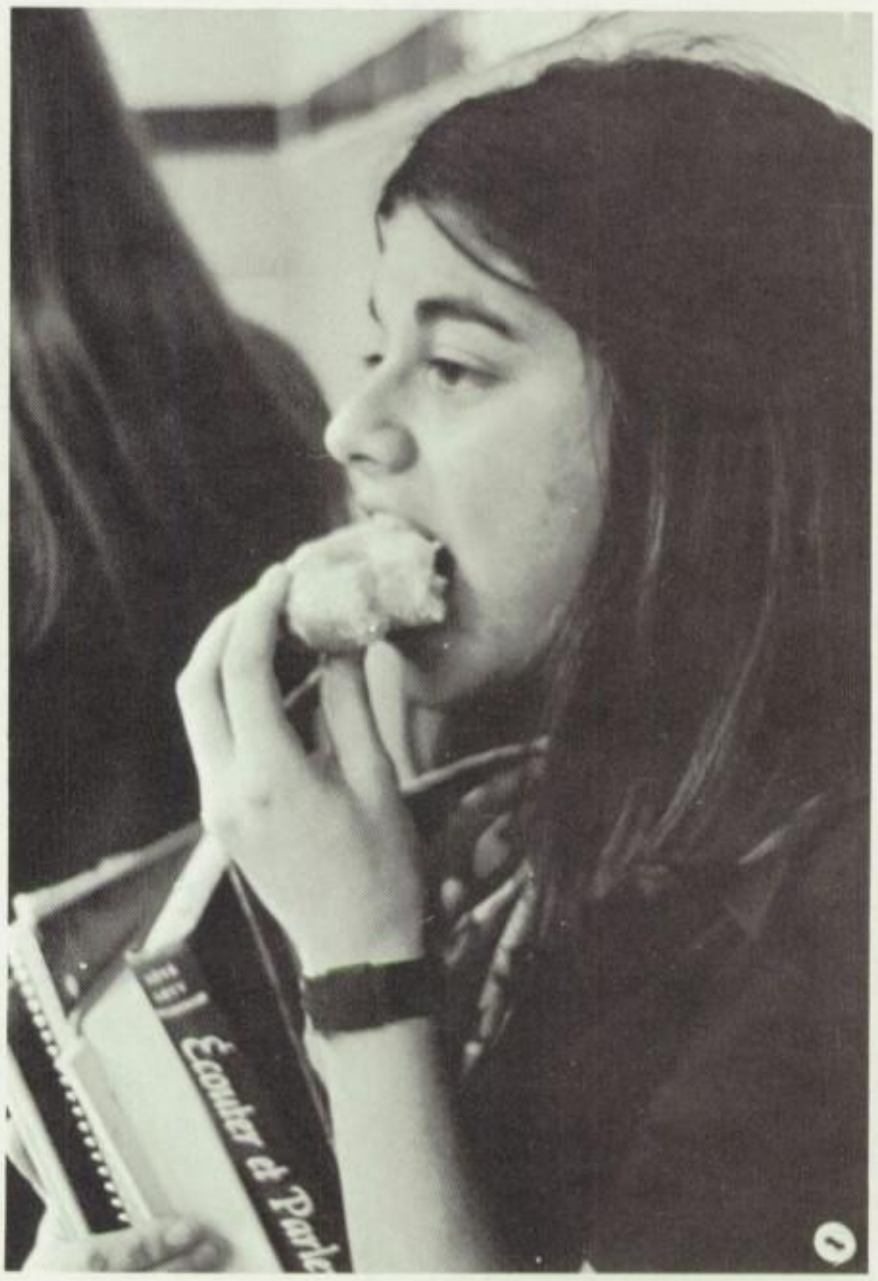
Sophomore Lyndee Wisner, B-team cheerleader, replaced Mary Lou White during the first semester of school.

The Latin Club held several donut sales this year in addition to making and selling rock dolls. Junior Char Novick enjoys one of the many donut sales.



StuCo varies plans

Several policies of the Student Council experienced changes during the 1969-1970 school year. More student participation was the aim behind each of these changes, according to sponsor Mr. John Morton.

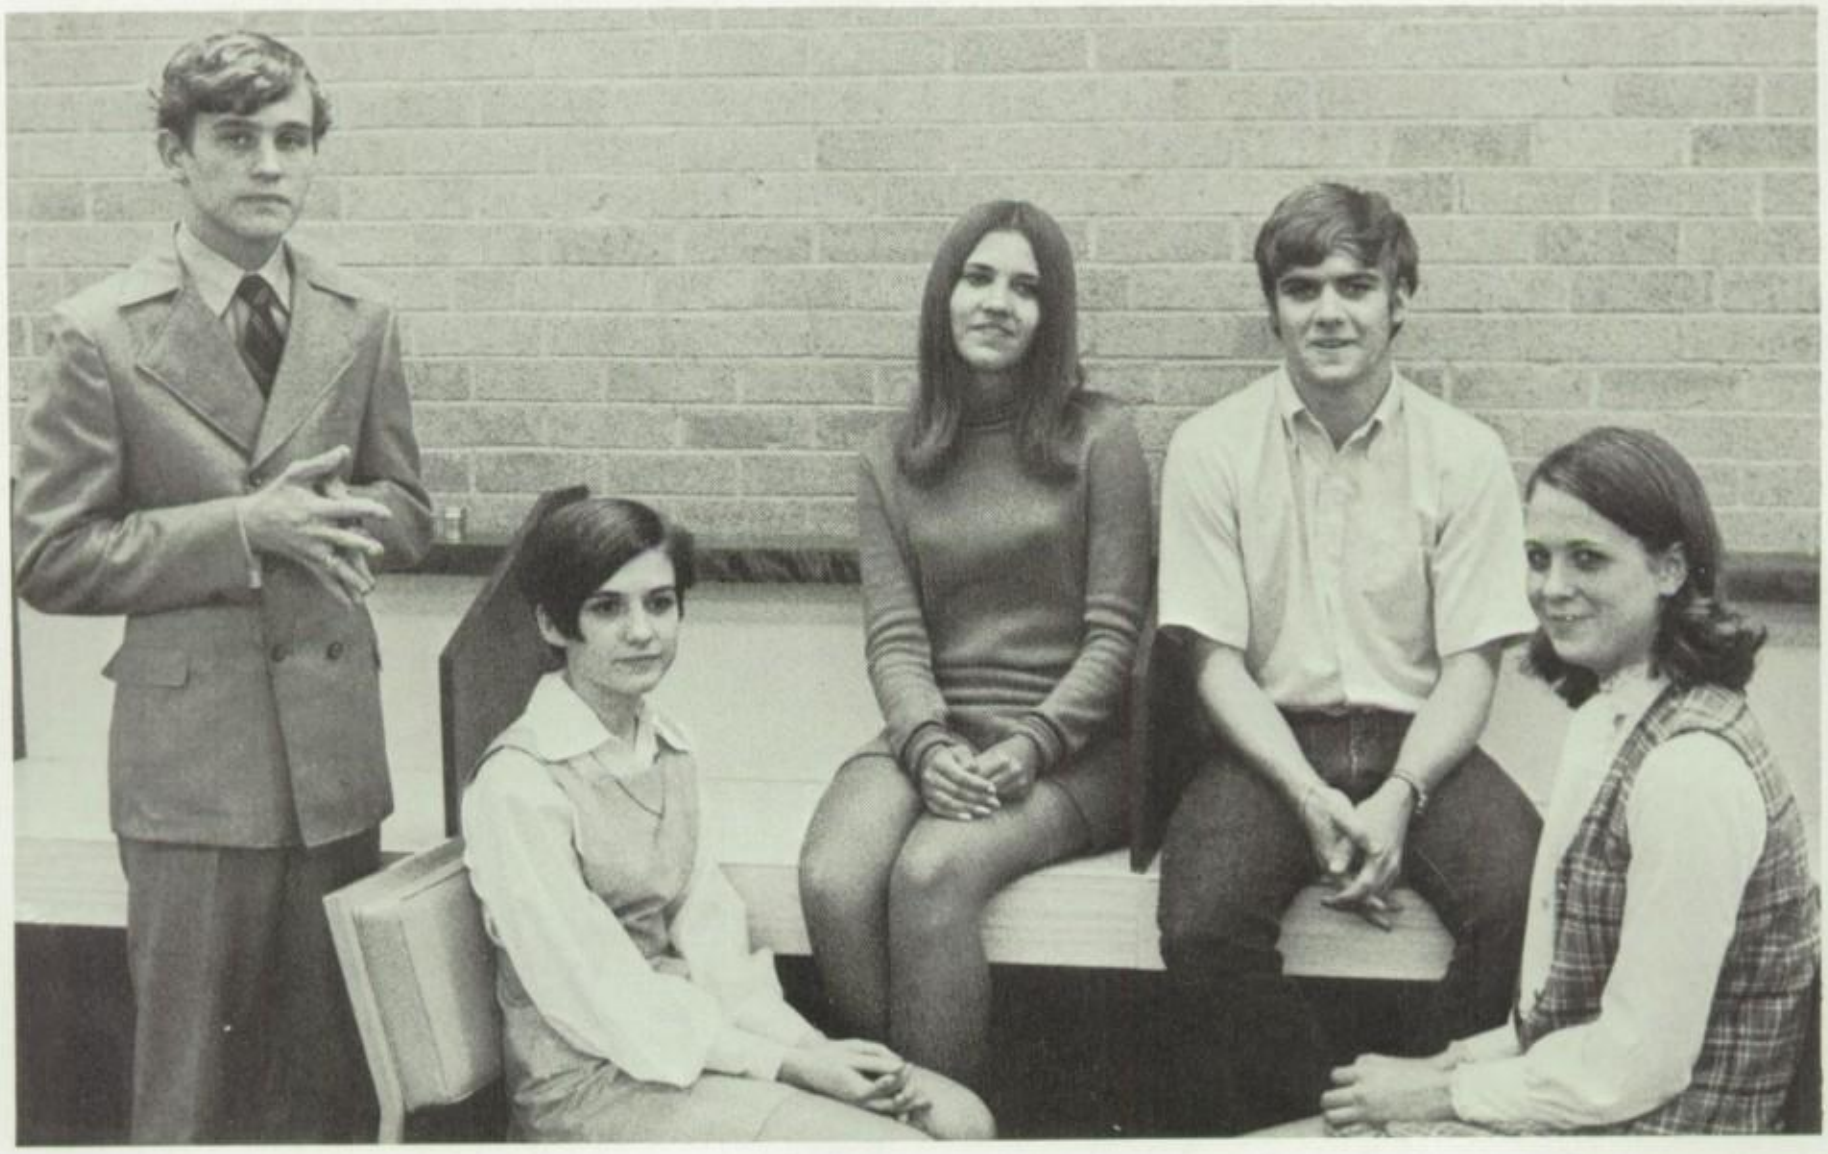
The most noticeable difference was on the various committees in StuCo. A council member was selected to act as the chairman with members of the student body working under them. Student Council activities consisted of Homecoming, Sweetheart, Open Season On Males (OSOM) week, and Spirit Week. Meanwhile, they continued support of the foster child in the Phillippines, and Inter and Outer-City Exchanges along with various fund raising projects.

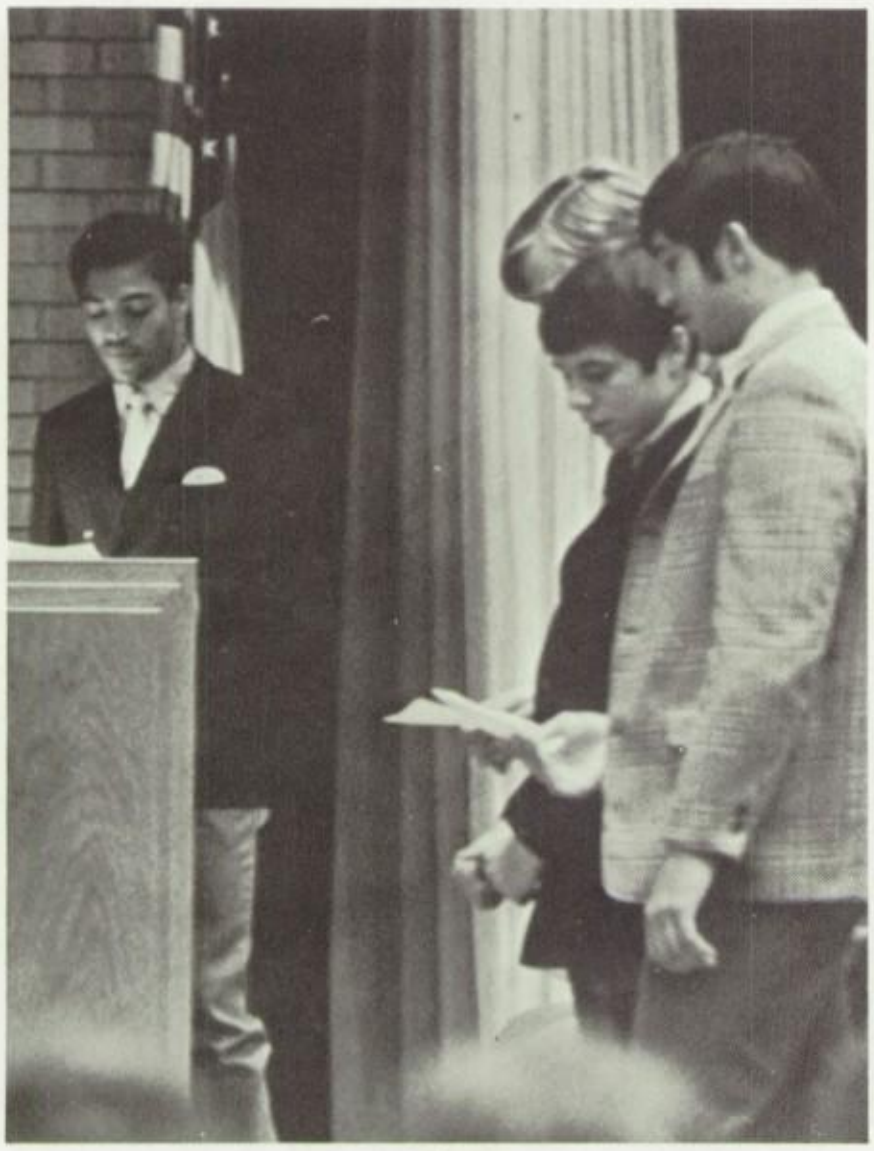
Another council change pertained to the election of officers. This year, each class elected twelve representatives and a president.

Student Council obtained two new sponsors this year. Mr. David Larson and Mrs. Opal Moran worked along with last year's sponsors, Mrs. Barbara Calvert and Mr. John Morton.

STUDENT BODY OFFICERS: John Coulson, parlimentarian; Val Brown, vice president; Scott Smith, president; and Carol McClintick, secretary.

DIRECTORS: Keith Sanborn, Finance; Judi Garvey, Elections; Carmen Greenup, Publications; Jack Koelling, Student Lounge; and Jane Shook, Publicity.





New class presidents take the oath of office.

Youth board helps With city's project

Helping with the Wichita Centennial activities and working on civic projects were some of the responsibilities of the seventy-member Wichita Area Youth Board. It is composed of four juniors and four seniors from each Wichita high school. Southeast delegates were chosen by interviews with present members.

In the seven years that the Youth Board has been in existence, this year was one of the busiest, for besides holding the annual Fall Conference and sponsoring dances, they worked with the Chamber of Commerce on Centennial activities. These lasted throughout the 1969 — 1970 school year.

This year's members were seniors Jeanne Carreau, John Coulson, Tom Edgar, and Patti Jones. The juniors were Jeanne Alter, Stuart Roberts, and Nancy Smith. Junior Nicky Reel was chosen as Bobbi Forrer's replacement after Bobbi moved.

Groups examine aspects Of films, art, and chess

In it's second year of organization, the FILM CLUB participated in many activities to encourage students to view films more critically and express themselves creatively through film. One project of the club, sponsored by Mr. John Morton, was to equip a film lab by sponsoring several film showings.

To further interest and promote a better understanding of art was the purpose of the ART CLUB, sponsored by Mrs. Sue Harms. Visiting museums and art studios were some of the activities of the club. The highlight of the year was a field trip to Nelson Art Gallery in Kansas City.

Professions sought by students

Promoting student interest in the field of Science was the purpose for the newly reorganized SCIENCE AND MATH CLUB. Under the direction of Mr. Walter Lohrentz and Mr. Floyd Bayer, the members conducted field trips to various industries and entered exhibits to the annual science fair.

Excursions to various hospitals, the blood bank, dental labs, and vocational schools were several of the activities the members of HEALTH CAREERS CLUB participated in during the year. This club was organized to promote interest in community and personal health, along with discovering what a career in health requires.

Students examined the career opportunities in the field of education in the FUTURE TEACHERS OF AMERICA CLUB. The members participated in various programs of the city-wide organization of Future Teachers and took a field trip to the Institute of Logopedics.

Newly organized this year, the OFFICE EDUCATION CLUB, sponsored by Mrs. Rosemary Coad, informed its members of the business aspects of life.

Both sexes display Athletic aptitudes

After earning 500 points from participating in various athletic activities, 20 girls became eligible for membership in the LETTERWOMENS CLUB. To offer athletic activities and develop good sportsmanship and fair play was the purpose of the organization.

The highlight of the year for the 102 members of SEA SPRITES, sponsored by Mrs. Betty Fugit, was the annual swim show in the spring. The members not only organized the show, but had major participation in the program.

Encouraging boys to participate and compete in sports is the emphasis behind the LETTERMANS CLUB. During the year the members sold the Southeast booster pins and sponsored dances to promote school spirit.

Cheerleaders assist In spirit promotion

Displaying enthusiasm for Southeast and its athletic department was the motive behind the '69-'70 Pep Club. Southeast obtained the largest Pep Club in Wichita, numbering over 700 members, under the leadership of President Sydney Shadid. Sixteen girls made up the class plus cabinet officers. Mrs. Betty Fugit, Pep Club sponsor, helped the girls in planning the year's activities. These consisted of sponsoring dances, intershool dinners, and bake sales.

In addition to the responsibility of leading the cheers at the athletic events, the six varsity and six B-team cheerleaders held dances and attended cheerleading clinics. Before the games the girls were seen making posters and selling spirit ribbons. The twelve cheerleaders, sponsored by Mrs. Ruby Schrader, were elected by the student body.

Harriers strive, sprint To win many victories

Led by the record-setting performance of junior Bill Filener, the Southeast cross country team raced to a third place finish in the state meet, the highest finish in Southeast's history. Filener set a school record of 9:26, breaking the record set last year by John Noffsinger.

Southeast's veteran team finished the season with strength, ending second in the City League, also the best finish in the history of the school. Successful meets of the season were first place in the Southeast Invitational, second in the West Invitational, and second in the Regional meet.

Coach Hatter gives encouraging advice and support to a Southeast harrier.

Buffs take second place, Tie with Carroll Eagles

Boasting a 7-1-1 record over-all, the Southeast Golden Buffaloes captured second place in the City League, and tied with Bishop Carroll at 5-1-1, Southeast's best finish since 1961.

Southeast, behind the arm of league-leading passer Dan Hill, was the most prolific scorer in the city. The 62-0 thrashing of Heights set a new 5-A shutout record. Throughout the season the Buffs were ranked Number One, with only a tie against Carroll and a loss to North in the final game of the season to blemish their record.

Southeast led the City League in total offense, scoring and passing. End Don Parham and Quarterback Dan Hill were selected to the All-State teams. Ron Allen and John Breidenthal were selected to the All-City first teams, along with Parham and Hill.

With great concern and guidance, Coach Marvin Vandaveer led our varsity football Buffs to many victories.

New methods learned, Sophs and B-team surge

While gaining experience for future Southeast varsity football games, the B-Team and sophomore team again compiled successful seasons this year. The B-Team, coached by Mr. Everett Houser, completed their games 5-1-1, while the sophomores, directed by A. R. "Monk" Edwards and Mr. John Zumalt equalled last year's record of 5-2.

The goal of the members of the B-Team and sophomores is to make the varsity squad, in addition to learning the basic fundamentals of high school football. Outstanding play in the B-Team or sophomore games could help a player advance to the varsity squad next year.

Knowing that watching is as important as playing, sophomore Bill Neville intently watches the football field.

Cagers gather strength After sluggish beginning

This year began a new era in basketball for Southeast. Not only was the team changed by the graduation of Randy Canfield, but the coaching also took a new turn when former head coach Dave Leach accepted a new coaching job and was replaced by a former Southeast basketball player, John Criss.

After opening the season with losses to both Salina in a non-city league game and to North, Southeast spurted on to victory in numerous other competitions.

Southeast participated in the Dodge City Invitational this year, taking second place when they were defeated by Sumner, 47-45, in the last night of play. Senior Jan Jacob was nominated to the first team at the Invitational. Junior Mark Ayesh was nominated to the second team.

Rebounding, floor play, and strong defense were the skills that provided the strength of the team. Free throw shooting, illness, and injuries prevented the varsity Buffs from taking the City League title this year.

Gymnasts perform feats On new parallel bars

New gymnastic equipment was purchased by the Southeast athletic department this year. Two sets of parallel bars were added to the use of the gymnastic team, which was coached by Mr. Marvin Vandaveer.

The gymnasts participated in events such as the free exercise, tumbling, high bar, long horse, parallel bar, rings and the side horse.

Spark of wrestling team Produced by individuals

Individual performers on this year's wrestling team had outstanding seasons. Seniors Terry Matlock and Jim Briscoe had successful seasons, while senior Conrad Lawrence ended undefeated in all of his dual meets.

The Southeast wrestlers were affected with injuries and grade problems this year. Although it's required for the state meet to have passing grades in three subjects, Southeast requires its wrestlers to carry at least a "C" in all subjects. The wrestling team was coached by Monk Edwards.

Strengths of individuals Surge finmen to victory

Southeast's Water Buffaloes, scoring 73 total points, successfully defended their title in the state championship meet at Kansas University in Lawrence, Kansas. With ten team members qualifying, the finmen captured four first places to far outdistance second place Wyandotte, who scored 38 points.

Leading the Buffs to their second straight title was junior co-captain David Kegley, who took the 200-yard freestyle with a time of 1:51.2 and the 400-yard freestyle with a 4:05.1. Senior Eric Forsse posted the time of 57.7 in outclassing the field in the 100-yard backstorke.

In the 200-yard medley relay, the team of seniors Eric Forsse and Jeff Schonberg and juniors Craig Alley and Greg Hirleman established a new state record with the time of 1:44.5.

Strong individual performances and team depth throughout the season helped the Buff finmen, coached by Mr. Charles Hatter, post an exceptional dual meet record of eight wins and a narrow 50-45 loss to Bartlesville. The team also captured their third consecutive city league title.

Girls demonstrate athletic ability

Under the direction of Mrs. Marilyn Morris, head of the Girl's Physical Education Department, Southeast girls competing in varsity and intramural sports were sparked to a new high in enthusiasm and team spirit.

Beginning the year with girls' varsity hockey, the team, coached by Mrs. Morris, chalked up a 5-1 season record and placed second in city competition, losing only to South.

Coached by Miss Janice Greene, the girls' varsity tennis team won 4 of 5 city meets, again forfeiting their only loss to South.

Mrs. Ruby Schrader directed the efforts of the A, B, and C volleyball teams to a season filled with many wins.

New uneven parallel bars were added to the gymnasts' equipment this year. Aiming to place high in city league competition, the girls were coached by Mrs. Schrader.

This year the girls' varsity basketball team, coached by Miss Greene, underwent the transition from playing with six players to playing with five players.

Softball was coached by Mrs. Betty Fugit.

Classes

Sophomores obtained their new title with fall enrollment.

A vital element in tying the sophomore class together was the fall election of class officers.

Undaunted sophomores Accept responsibilities

The seniors and juniors led the Class of '72 in priority, but this did not stop the sophomores' enthusiasm and spirit. The youngest class was undaunted in their ability to accept the added responsibilities and pressures.

Taking second place in the Homecoming float competition, and participating in pep assemblies, sales after school, Ugly Man On Campus, OSOM week, and the All School Project were just a few of the activities helping the sophomore class reach their goal of total participation.

"We've really worked hard on the things we've done, and we really organized fast," said Richard Varner, class president, about the '72 class.

The sophomore class finished out their year with the election of class officers and representatives, hoping to top their spirited first year.

Sophomores purchased the STAMPEDE, a weekly student paper which was new to them at Southeast.

"We'll have Ace stew tonight!" was the theme of the Junior Homecoming float which took first place in the class competition.

Junior constituents lead, Follow as year unfolds

"Halfway up the stairs," the familiar words of A.A. Milne's poem, best describes the juniors' position in their high school careers. Taking on their responsibilities of "middleclassmen," the juniors embarked on many projects with unity and total class involvement.

The class of '71 began the year by hosting the Junior-Sophomore Tea welcoming the sophomores to Southeast. The Junior-Senior Prom, with the theme "Saggitarrian Voyage," was a product of junior ingenuity. In athletics, junior men made valuable efforts in major and minor sports. Social events such as after-game dances, homecoming float competition, in which the junior class place first; the All School Project, and Ugly Man on Campus were only a few of the many activities that the juniors participated in to make their class a solid unit.

Academically, many juniors showed an insight into the future by taking the PSAT and National Merit tests. Many juniors used their knowledge to help other students in the tutoring program.

Finishing the year with the traditional ring-turning and ushering at graduation, the Class of '71 made their walk up the symbolic stairs to take the role of the upperclassmen.

JUNIOR REPRESETATIVES — TOP ROW: Terry Walker, Bruce Leisy, Steve Agee. MIDDLE ROW: Richard McDonald, Julie Branson, Jill Page. BOTTOM ROW: Rox Ann Banks, Jane Hartwell, Sarah Robinson, Shanon Greene. TOP ROW: Lewis Gregory. MIDDLE ROW: Jody Freeman. BOTTOM ROW: Jana Carson, Nancy Smith.

A bundled Junior pep club member intently watched the game.

Junior lettermen tend the victory bell.

Each senior class takes part in the government elections. STANDING is first semester's Lieutenant Governor John Donaldson, SITTING is first semester Governor Dan Hill.

Many traditional and sentimental events occur during a Senior's last year. Here, two seniors take a final, reflecting look as they enter the building for their graduation.

SENIOR REPRESENTATIVES: TOP ROW: John Coulson, Tom Edgar, and Mark Jones. MIDDLE ROW: Steve Munsell, Deanna Osmond, and Susan Goering. BOTTOM ROW: Bonnie Loyd, Marcy Grant, and Terry Freeland.

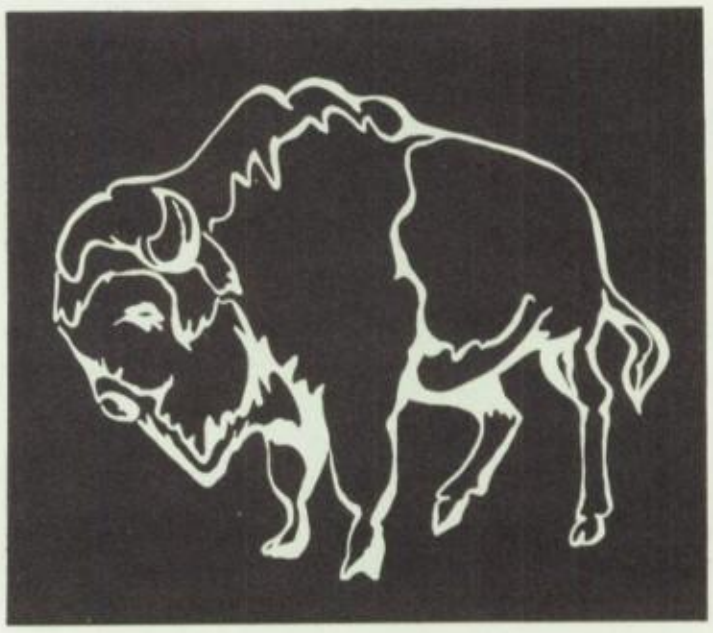
Today's memories, aims Guide upperclassmen

With graduation near, a senior senses what Kahlil Gabrin meant when he said, "yesterday is but today's memory and tomorrow is today's dream." After graduation, the years that seemed like a lifetime will be memories — and expectations for a new future will begin.

In all areas of school life, the seniors made their mark. Accepting their upperclass responsibilities, the seniors were instrumental in running such organizations as student council, pep club, and youth board. Organizing the HOOFBEATS and the STAMPEDE were senior responsibilities. Academically, seniors not only took part in college advanced placement courses, but nine seniors were also named National Merit Semifinalists. In all areas of athletics the senior men's outstanding performances were essential assets to the teams. Homecoming, Ugly Man, the All School Project, the Sweetheart dance, and the Senior Prom were definitely a part of the senior year. Such activities many times honored the upperclassmen.

With a memorable senior year behind them the class of '70 will move on to different surroundings. Many will further their education by going to college. Others will use their talents in jobs. But whatever the course of a senior's life, the education and experience gained at Southeast will be invaluable in the years to come.

Supporting her team during a tense moment is senior Melody Woods. Seniors traditionally sit in the first rows of Pep Club during the games.



SENIOR REPRESENTATIVES: TOP ROW: Jack Shellito. MIDDLE ROW: Lecia Leben, and Carol McClintok. BOTTOM ROW: Barbara Pike. Not Pictured: Janet Orr.

Now it's time to remember when . . .

After putting out a yearbook, you never forget the experiences that go along with it. The "remember whens" are endless.

. . . remember the time you got stuck in the elevator, and the time the seat belt was caught outside the car door while we were going 80 m.p.h. Remember the trip to the KU journalism workshop that was supposedly at KSU. Remember the asthma attack on the way to the bus station to mail the deadline and making it down there with only five minutes to spare. Recall the pounding on the door for hours on Saturday mornings so you could get in to complete that last minute deadline. And then there was the time that your assistant was gone and you had to do your work alone.

Of course, the "remember whens" would not exist without a staff to help create them. My staff created many memorable experiences, but more important, they made the existence of this yearbook a possibility, which I appreciate more than I can say.

My assistants were chief participators, there when I needed them and willing to work. Special thanks goes to Jenny Grant, an inspiration to myself and the staff, and an instigator of order. Thanks to Carmen Greenup for bringing to light the necessity of some changes and a carefree attitude to maintain our sanity. Laurie Sidner, the "official cropper," deserves special recognition for making all our "great shots" fit the layouts, aside from doing about anything else there was to do.

A yearbook wouldn't be a yearbook without photographers. This year, I had two of the greatest photographers, Dave Hatfield and Wink Peck, known for saying "No!" and then taking the picture anyway. I also appreciate the assistance they were given by the many other camera fans, journalists and non-journalists alike.

My special appreciation goes to Chris Herron, class co-ordinator, who put up with the tedious job of working with 2500 student pictures. Also, under the class section are the index and the senior summaries which are two of the most important, yet most time consuming tasks in yearbook production. Kathy LeValley, index co-ordinator, and Linda Lyle, senior summaries, handled the jobs competently and I thank them both.

To all the section co-ordinators, assistants, and all others who helped, I extend my sincere thanks. Also, a special "thank you" to the yearbook advisor, Mr. Dean Campbell.

Although not a part of my "official" staff, I want to give my family an additional "thank you" for helping in times of trouble, making the happy times even happier, understanding, and being there when I needed them.

It's over. Now, you must decide what it's worth. I'll sit back and remember the "remember whens."
